

What does Freedom Requires Responsibility Mean to Me?

From sea to shining sea and across the seas many have fought for our freedom. "All gave some, some gave all." Not a day goes by in our country that we don't exercise our freedoms made possible by our forefathers and those that put their lives on the line to preserve it. In honor of Veteran's Day, I invite you to put your thoughts into an essay that expresses what freedom means to you and the responsibilities that go with it.
