Candidate Guide
MEMORANDUM

TO: All Candidates and Campaign Treasurers

FROM: Brian E. Corley

SUBJECT: 2020 Candidate’s Guide

This guide has been prepared in order that candidates and their campaign treasurers might more easily familiarize themselves with their duties and responsibilities under the Florida Election Code. It is also my belief that this guide will inform and educate candidates and their campaign staff with the procedures and services of the Supervisor of Elections’ office.

Included in this guide are samples of all forms required for qualifying and financial reporting. A “Qualifying Packet” will be sent to pre-filed candidates by my office in early March 2020. All necessary forms and fees are required to be complete and filed by the end of candidate qualifying (no later than April 24, 2020 for judicial candidates and June 12, 2020 for county candidates).

Know that it is my intent that this guide be a valuable reference to you in your campaign. However, questions will arise that have not been addressed in this booklet. Please call my office at any time if you have additional questions or need clarification.

Also, please know that should any conflict of information arise between this guide and the Florida Statutes, the Florida Election Code will prevail. My staff and I stand ready to assist in any way that we are permitted by Florida law.

Guidelines for Determining When Residency Qualifications for Elected Office Must be Met

DE Reference Guide 0008 (Updated 02/2016)
These guidelines are for reference only. They are not to be construed as legal advice or representation. For any particular set of facts or circumstances, refer to the applicable state, federal law, and case law, and/or consult a private attorney before drawing any legal conclusions or relying upon this information.

RESIDENCY REQUIREMENTS — GENERAL OVERVIEW

- **In general.** Unless otherwise provided for constitutionally, legislatively or judicially, any residency requirement for an elected office must be met at the time of assuming office. (For example, the Governor must have resided in the state for 7 years by time of election. See s. 5, Art. IV, Fla. Const.)

- **Oath.** State law requires that all candidates at the time of qualifying subscribe to an oath (s. 99.021, F.S.) that they are qualified electors of their county. In order to be a qualified elector, one must be a resident of Florida and the county wherein he or she registers to vote. The oath also provides that the candidate is qualified for the office being sought. However, this oath is considered prospective in nature — it becomes effective at the time of assuming office, unless otherwise provided for constitutionally, legislatively or judicially. See *Davis v. Crawford*, 116 So. 41 (Fla. 1928); *State v. Haskell*, 72 So. 651 (Fla. 1916).

- **Continuous residency.** Any residency requirement for an office is a continuous one. Failure to maintain the residency throughout the term results in vacancy in office. See generally s. 3, Art. X, Fla. Const. and s. 114.01(1)(g), F.S. In absence of a statute, constitutional provision or municipal ordinance that establishes a residency requirement, failure to maintain residency alone does not trigger a vacancy in office. See AGO 75-113; AGO 88-11 (exception for redistricting).

RESIDENCY REQUIREMENTS — SPECIFIC OFFICES

- The following represent situations where the law addresses when residency requirements must be met for candidates and elected officials.

  ➢ **CITY COMMISSIONER**
  - At the time of assuming office, unless provided otherwise by city charter or ordinance.
  - See DE 94-04; DE 92-10; *Nichols v. State*, 177 So.2d 467 (Fla. 1965) & *Marina v. Leahy*, 578 So.2d 382 (Fla. 3rd DCA 1991)(re: reasonable durational residency requirements).

  ➢ **CONGRESSIONAL MEMBERS (U.S. SENATORS AND U.S. REPRESENTATIVES)**
  - Must be an inhabitant of the state when elected. (ss. 2 & 3, Art.1., U.S. Constitution)
  - States have no authority to add residency requirements to federal offices.
  - Questions about residency relating to a U.S. Senator or U.S. Representative should be directed to the respective Congressional chamber which has exclusive jurisdiction over the qualifications including the residency of its membership. See s. 5, Art. I., U.S. Constitution.
  - Addresses: Clerk of U.S. House of Representatives, U.S. Capitol, Room H154, Washington, DC 20515–6601; phone: (202) 225–7000; Secretary of the Senate, United States Senate, Washington, D.C. 20510; phone: (202) 224-3121.

  ➢ **COUNTY COMMISSIONER**
  - At the time of election.
  - See *State v. Grassi*, 532 So.2d 1055 (Fla. 1988); s. 1(e), Art. VIII, Fla. Const.; DE 92-10, DE 94-04; & AGO 74-293.
CONSTITUTIONAL COUNTY OFFICERS (E.G., CLERK OF COURT, SUPERVISOR OF ELECTIONS, PROPERTY TAX APPRAISER, SHERIFF, ETC.)

- At the time of assuming office.
- By analogy, see Advisory Opinion to Governor, 192 So.2d 757 (Fla. 1966); DE 90-30, DE 92-10, & DE 94-04 (no minimum residency requirements set out in Florida Constitution but there may be county charters that mandate some durational residency).

GOVERNOR, LIEUTENANT GOVERNOR, AND CABINET MEMBERS

- At the time of election.
- Must be resident of State for preceding seven years. See s. 5, Art. IV, Fla. Const.

JUDGES

- At the time of assuming office.
- By analogy, see Advisory Opinion to Governor, 192 So.2d 757 (Fla. 1966); DE 94-04, & DE 78-31; s. 8, Art. V, Fla. Const. (justice/judge must be elector of state and reside in territorial jurisdiction of court).

LEGISLATORS (STATE SENATORS AND REPRESENTATIVES)

- At the time of election.
- A legislator assumes office on Election Day (Ruiz v. Farias, 43 So. 3d. 124, 127 (Fla. 3DCA 2010)).
- See s. 15, Art. III, Fla. Const. (for qualifications, including residency). A legislator must be resident of district ‘from which elected’ and be a resident in state for two years prior to election.
- Further questions about residency should be directed to the respective Florida legislative chamber which has exclusive jurisdiction over the qualifications of its members. Senate and House Joint Rule 7.1, which addresses residency, in part, provides: “A member shall be a legal resident and elector of his or her district at the time of election and shall maintain his or her legal residence within that district for the duration of his or her term of office. While a member may have multiple residences, he or she shall have only one legal residence.” Each member must file a written statement of residency with the respective chamber.
- Addresses: Speaker of the House, Florida House of Representatives, 402 South Monroe Street, Tallahassee, FL 32399-1300; phone: (850) 717-5000; President of the Senate, Florida Senate, 404 S. Monroe Street, Tallahassee, FL 32399-1100; phone: (850) 487-5229.

SCHOOL BOARD MEMBER

- At the time of qualifying.
- See ss. 1001.34 & 1001.361, F.S.; and DE 82-02 & 94-04. Note: s. 1000.361 was formerly 230.10, F.S.

SCHOOL SUPERINTENDENT

- At the time of assuming office.
- See DE 94-04; s. 1001.463, F.S., failure to maintain residency results in vacancy (implies residency requirement); s. 5, Art. IX, Fla. Const. (4-yr term); s. 1001.46, F.S. (elected); s. 1001.461, F.S. (appointed).

WRITE-IN CANDIDATE

- Refer to particular office listed above. [Note: Although s. 99.0615, F.S., provides that a write-in candidate must reside in the district represented by the office sought at the time of qualifying, the statute is unconstitutional. Brinkman v. Francois, No. SC14-1899, (Fla. Feb. 4, 2016).]

RESIDENCY QUESTIONS

- Any questions regarding residency requirements for officials not expressly stated in the Florida Election Code should be addressed to the Florida Attorney General’s Office.

Notwithstanding the foregoing meanings of "contribution," the term shall not be construed to include services, including, but not limited to, legal and accounting services, provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee. **NOTE:** This definition shall not be construed to include editorial endorsements.

Note: The law provides no exceptions for reporting contribution information, regardless of the size of the contribution (e.g., the reporting requirements would be the same for a 50 cents contribution as for a $1,000.00 contribution).

**Protected Address Contributors:** When reporting contributions from contributors (or expenditures from vendors) with protected addresses, an address must be listed. A report may not list any form of "Exempt by Law" or "Withheld by Law" in the address fields. However, the statutes do not require residential addresses. So, the address may be a PO Box or a business address. If they have neither of those alternatives, their residence address will need to be listed.

Once the report is filed, the reporting system will look through the voter file to verify they have a protected address and redact those that have the request on file. Please be aware that contributors (or vendors) who do not have a request for a protected address on the voter file will not have their addresses redacted.

< Contributions, which are returned prior to being deposited into the campaign account, may be reported to the Supervisor of Elections on the Contributions Returned (Form DS-DE 2) *(106.07(4)(b), Florida Statutes).*

< Any contributions received by a candidate or campaign treasurer of a candidate after the date on which the candidate withdraws their candidacy, or after the date the candidate is defeated, becomes unopposed, or is elected to office, shall be returned to the person and shall not be used or expended by or on behalf of the candidate.

**NOTE:** 106.15(4), Florida Statutes, prohibits the acceptance or soliciting of a contribution in a building owned by a governmental entity...except if the building is rented for a fundraiser.

H. ARE THERE ANY RESTRICTIONS ON HOW I MAY USE THE LEFTOVER FUNDS IN MY CAMPAIGN ACCOUNT?

Yes. Section 106.141, Florida Statutes, states that each candidate who withdraws their candidacy, becomes an unopposed candidate, or is eliminated as a candidate or elected to office, shall within 90 days, dispose of the funds on deposit in their campaign account and file a report reflecting the disposition of all remaining funds.

If there are funds in a separate interest-bearing account or certificate of deposit at the time the candidate becomes unopposed, withdraws, is eliminated as a candidate or elected, the funds and the accumulated interest earned thereon must be transferred to the campaign account within seven (7) days.
< However, if the funds are subject to penalty if withdrawn within the seven (7) day period, the funds and the accumulated interest earned thereon may be transferred as soon as they may be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws their candidacy, or is eliminated or elected, whichever comes first.

< A candidate required to dispose of funds pursuant to this section may, prior to such disposition, be reimbursed by the campaign, in full or in part, for any reported contributions by the candidate to the campaign.

< Section 106.11(5), Florida Statutes, allows a candidate who withdraws their candidacy, becomes unopposed, is eliminated or elected to office to expend funds from their campaign account to:

1) Purchase "thank you" advertising for up to 75 days after the candidate withdraws, becomes unopposed, or is eliminated or elected.

2) Pay for items that were obligated before the candidate withdrew, became unopposed, or was eliminated or elected.

3) Pay for expenditures necessary to close down the campaign office and to prepare final campaign reports.

4) 106.141(4)(a), Florida Statutes, states that any funds not spent or obligated may be disposed of by the following means or combination thereof:
   a) return pro rata to each contributor the funds that have not been spent or obligated to be spent;
   b) donate the funds that have not been spent or obligated to a charitable organization or organizations that meet the qualifications of s.501(c)(3) of the Internal Revenue Code;
   c) give not more than $25,000 of the funds that have not been spent or obligated to the affiliated party committee or political party of which such candidate is a member; or
   d) give the funds that have not been spent or obligated to the General Revenue Fund of the county.

< As stated in 106.141(5)(d) and (g), Florida Statutes, if you are elected to office or will be elected to office by virtue of being unopposed, you may transfer from the campaign account to an office account any amount of funds on deposit in such campaign account up to $5,000 multiplied by the number of years in the term of office for which you are elected. However, candidates for County Judge are limited to a transfer of $3,000.00.

< Any funds so transferred by a candidate shall be used only for legitimate expenses in connection with the candidate’s public office.

< This money retained from your campaign account must be used to open a new account to be entitled “Office Account” and the candidate elected to office is required to file a report on the 10th day following the calendar quarter until the account is closed.
These reports are in the same form and contain the same type of information as the campaign reports.

The office account shall be separate from any personal or other account, and funds may be used for travel expenses incurred by the officer or the officer's staff members, personal taxes payable on office account funds by the candidate or elected public official, or expenses incurred in the operation of the office, including the employment of additional staff.

NOTE: Prior to disposing of funds pursuant to subsection (4) or transferring funds into an office account pursuant to subsection (5), or retaining funds for reelection pursuant to subsection (6), any candidate who filed an oath stating that they were unable to pay the fee for verification of petition signatures without imposing an undue burden on personal resources or on resources otherwise available to them, shall reimburse the state or local governmental entity, whichever is applicable, for such waived fee. If there are insufficient funds in the account to pay the full amount of the fee, the remaining funds shall be disbursed in the above manner until no funds remain. All funds disbursed pursuant to this subsection shall be remitted to the qualifying officer. Any reimbursement for petition verification costs, which are reimbursable by the state, shall be forwarded by the qualifying officer to the state for deposit in the General Revenue Fund.

ADDITIONALLY: If a candidate receives a refund check after all surplus funds have been disposed of, the check may be endorsed by the candidate and the refund disposed of pursuant to 106.141, Florida Statutes. An amended report must be filed showing the refund and the subsequent disposition.
IV. ONLINE FILING

A. WHAT IS ONLINE FILING?

< In accordance with Board of County Commission Ordinance 10-167, ALL Campaign Treasurer’s reports are to be filed online using the Candidate/Committee Financial Reporting System provided at no cost to you by the Supervisor of Elections’ office. The campaign treasurer will input the required information into the online reporting system. (Required information is discussed in Section V.)

< On or before the due date, the report should be submitted to the Supervisor of Elections’ website. Upon receipt of the online transmission, staff will review and release the information to the Supervisor of Elections’ website on the internet. Once the information is submitted and released, the report may be viewed by all concerned parties.

< This method expedites filling out and filing of the required financial reports of contributions and expenditures. This reporting system can be accessed from any internet connected PC or MAC and is extremely user friendly.

< In order to operate the system, a PC or MAC, an internet connection, a web browser such as Internet Explorer, a printer, and Adobe Acrobat Reader are required.

B. WHAT ARE THE ADVANTAGES TO ONLINE FILING?

< Online filing will provide the public, news media, and candidates easier access to campaign finance information. Upon notification of a candidate’s submission, campaign treasurer reports will be released to the Supervisor of Elections’ website. The candidate/public may view, print, or download the campaign finance reports. Computers will be available to candidates in the Supervisor of Elections’ office to assist them in preparing their reports, if needed.

< Each candidate and treasurer will be given a “How To” guide which will walk them through the process of using the filing system. Elections’ office staff members are also available to answer basic questions on data entry and research.

< If upon review, the Supervisor of Elections’ office determines that an amendment must be filed, then, time is of the essence in order that the amendment be filed and reflected in all records prior to the filing of your next report. Online filing, like electronic filing, will significantly decrease the number of requests for amendments.
C. WHICH CANDIDATE’S MUST FILE ONLINE?

< ALL Pasco County Candidates collecting and expending funds on their campaign.

**This policy will now include candidates for state or county political party executive committee members who collect or expend funds on their campaign. However, the only report due for these “candidates” is the 4th day report due prior to the Primary Election in which they are to be elected.

D. WHAT IS NEEDED TO FILE ONLINE?

< A copy of the Policies of the Supervisor of Elections’ Office Regarding Campaign Treasurer’s Reports (EF 99-03) will be given to the candidate.

< The candidate will be assigned an identification number and password that is required to be entered during the log-in. This information is shared between the candidate and treasurer so that both parties may access the system. It is the candidate’s responsibility for protecting the sign-on credentials from disclosure.

< Both the candidate and treasurer will also be assigned individual PINs used as their electronic signature during the submission of the treasurer’s reports.

< The Supervisor of Elections will notify the campaign treasurer of the report due date by e-mail. Once submitted, the report will state an Online Submission Confirmation Number including the date and time of submission. After submission, the Treasurer’s Reports should be printed using the online reporting system and maintained by the treasurer.

V. CANDIDATE REPORTING INFORMATION

A. REPORTING OF CAMPAIGN CONTRIBUTIONS AND EXPENDITURES

< According to 106.07, Florida Statutes, your treasurer shall file campaign treasurer's reports for contributions (Itemized Contributions, Form DS-DE 13) via online filing with the Supervisor of Elections according to the schedule listed in the calendar section of this handbook. (Section VI.)

< Each report shall contain the full name, address, and occupation, if any, of each person who has made one or more contributions to your campaign within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by a corporation.

< HOWEVER, if the amount is $100.00 or less, or from a "relative" as defined in 112.312, Florida Statutes, provided the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.

< Addresses may be withheld from your report when the individual meets the requirements set forth in 119.071(4), Florida Statutes. Your treasurer should follow the instructions listed in the Candidate Financial Reporting System guide when entering contributions into the financial reports from these exempt individuals.

< Your treasurer shall also file campaign treasurer's reports for expenditures (Itemized Expenditures, Form DS-DE 14) via online filing with the Supervisor of Elections according to the schedule listed in the calendar section of this handbook. (Section VI.)

< Each report shall contain the full name and address of each person to whom expenditures have been made by or on behalf of the candidate within the reporting period; the amount, date, and purpose of such expenditure. However, expenditures made from the petty cash fund provided by 106.12, Florida Statutes, need not be reported individually.

< Each treasurer’s report of your campaign must include the Campaign Treasurer's Report Summary (Form DS-DE 12). This form summarizes all contributions and expenditures entered into the Candidate Financial Reporting System on forms DS-DE 13 and DS-DE 14. Every summary page contains the current reporting period information and displays running totals for contributions and expenditures reported on prior reports.

< The Supervisor of Elections’ office will notify campaign treasurers when reports are incomplete or contain errors that need to be amended. Corrections or amendments to reports must be received within seven (7) days of notification from the Supervisor of Elections’ office.
B. PENALTY FOR LATE FILING

Section 106.07(8)(b), Florida Statutes, states the following penalty for late reporting. The amount of the fine is $50 per day for the first three (3) days late; and thereafter, $500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

However, for the reports immediately preceding each primary election and general election, the fine shall be $500 per each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

NOTE: 106.07(8)(d), Florida Statutes, provides that the Supervisor of Elections shall notify the Florida Elections Commission of any repeated late filing, failure to file a report after notice, or failure to pay the fine imposed.

Reports must be filed no later than midnight Eastern Standard Time on the day designated.

It is incumbent upon the treasurer filing the report to ensure that the submitted reports indicate the Online Submission Confirmation Code along with the date and time stamp as proof of timely filing.

The Supervisor of Elections’ office recommends campaign treasurers print a hard copy of the submitted reports for their files. The printed copy will list the Online Submission Confirmation Code, date and time filed and will serve as proof of submission. A copy of the “Draft” will not serve as proof of submission since a draft copy has not actually been submitted and will not display the Online Submission Confirmation Code, date or time filed.

NOTE: Fines assessed for late filing shall not be allowable campaign expenditures and shall be paid only from the personal funds of the candidate. FILE TREASURER’S REPORTS TIMELY!

C. **INCOMPLETE REPORTS**

< Section 106.07(2)(b)1, Florida Statutes, states that any report that is deemed incomplete by the qualifying officer will be accepted on a conditional basis.

< In this event, the campaign treasurer will be notified by phone and/or e-mail. If no immediate response is received, the treasurer will be notified by certified mail as to why the report is incomplete and within seven (7) days after receipt of such notice MUST file an amended report providing information necessary to complete the report. Failure to file the required information after such notice shall constitute a violation of **Chapter 106, Florida Statutes**.
D. WAIVER OF REPORTS

< As stated in 106.07(7), Florida Statutes, in any reporting period during which a candidate has not received funds or made any expenditures, a report is not required to be filed for that period on the regular due date.

< However, the filing officer must be notified in writing on the reporting date that no report is being filed by virtue of such inactivity.

< In this event, the next report filed must specify that it covers the entire period from the last submitted report through the period of the report being filed.

< The Waiver of Report Form (DS-DE 87) may be used for compliance with this requirement.

* Any political advertisement endorsing the candidate shall express whether the permission of the candidate has been obtained.

* No political advertisement of a candidate who is not an incumbent of the office for which he/she is running shall use the word "re-elect." Additionally, such advertisement must include the word "for" between the candidate's name and the office for which the candidate is running in order that incumbency is not implied.

NOTE: Campaign business cards, letterhead, in addition to social networking sites (e.g. Facebook, MySpace, Twitter) are considered political advertisements and are subject to all of the laws for political advertising. Exemptions may apply to electronic mediums, see 106.143(10), Florida Statutes.

* This subsection does not apply to campaign messages used by a candidate and the candidate supporters if those messages are designed to be worn by a person.

* However, pursuant to 106.143(3), Florida Statutes, any political advertisement of a candidate running for partisan office shall express the name of the political party of which the candidate is seeking nomination or is the nominee. If the candidate for partisan office is running as a candidate with no party affiliation, any political advertisement of the candidate must state that the candidate has no party affiliation.

* It is unlawful for any candidate or person on behalf of a candidate to represent that any person or organization supports such candidate, unless the person or organization so represented has given specific approval in writing to the candidate to make such representation. However, this does not apply to:
  a. Editorial endorsement by the newspaper, radio, or television station, or other recognized news medium.
  b. Publication by a party committee advocating the candidacy of its nominees.

* 106.143(5)(a), Florida Statutes, states that any political advertisement, including those paid for by a political party, other than an independent expenditure, offered by or on behalf of a candidate must be approved in advance by the candidate. Such political advertisement must expressly state that the content of the advertisement was approved by the candidate and must state who paid for the advertisement. The candidate shall provide a written statement of authorization to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution.

* Any person who makes an independent expenditure for a political advertisement shall provide a written statement that no candidate has approved the advertisement to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution. The advertisement must also contain a statement that no candidate has approved the advertisement.
This subsection does not apply to campaign messages used by a candidate and his or her supporters if those messages are designed to be worn by a person or to novelty items having a retail value of $10 or less which support, but do not oppose, a candidate or issue. Bumper stickers are not included. They **must** have the disclaimer language but are exempt from using the word “for” between the candidate’s name and office sought.

Any political advertisement which is published, displayed, or produced in a language other than English may provide the information required by this section in the language used in the advertisement.

Section **106.143(10), Florida Statutes**, states:

The disclaimer requirement in section **106.143(1), Florida Statutes**, does not apply to any campaign message or political advertisement used by a candidate and the candidate’s supporters or by a political committee if the message or advertisement is:

(a) Designed to be worn by a person.

(b) Placed as a paid link on an Internet website, provided the message or advertisement is no more than 200 characters in length and the link directs the user to another Internet website that complies with the disclaimer requirements in section **106.143(1), Florida Statutes**.

(c) Placed as a graphic or picture link where compliance with the requirements of this section is not reasonably practical due to the size of the graphic or picture link and the link directs the user to another Internet website that complies with section **106.143(1), Florida Statutes**.

(d) Placed at no cost on an Internet website for which there is no cost to post content for public users.

(e) Placed or distributed on an unpaid profile or account which is available to the public without charge or on a social networking Internet website, as long as the source of the message or advertisement is patently clear from the content or format of the message or advertisement. A candidate or political committee may prominently display a statement indicating that the website or account is an official website or account of the candidate or political committee and is approved by the candidate or political committee. A website or account may not be marked as official without prior approval by the candidate or political committee.

(f) Distributed as a text message or other message via Short Message Service, provided the message is no more than 200 characters in length or requires the recipient to sign up or opt in to receive it.

(g) Connected with or included in any software application or accompanying function, provided that the user signs up, opts in, downloads, or otherwise accesses the application from or through a website that complies with section **106.143(1), Florida Statutes**.
(h) Sent by a third-party user from or through a campaign or committee's website, provided the website complies with section 106.143(1), Florida Statutes.

(i) Contained in or distributed through any other technology-related item, service, or device for which compliance with section 106.143(1), Florida Statutes, is not reasonably practical due to the size or nature of such item, service, or device as available, or the means of displaying the message or advertisement makes compliance with section 106.143(1), Florida Statutes, impracticable.

Section 106.147, Florida Statutes, mandates:

a) Any telephone call supporting or opposing a candidate, elected public official, or ballot proposal must identify the persons or organizations sponsoring the call by stating either: "paid for by _____" (insert name of persons or organization sponsoring the call) or "paid for on behalf of _____" (insert name of person(s) or organization authorizing call). This paragraph does not apply to any telephone call in which both the individual making the call is not being paid and the individuals participating in the call know each other prior to the call.

b) Any telephone call conducted for the purpose of polling respondents concerning a candidate or elected public official which is a part of the series of like telephone calls that consists of fewer than 1,000 completed calls and averages more than two minutes in duration is presumed to be a political poll and not subject to the provisions of paragraph (a).

c) No telephone call shall state or imply that the caller represents any person or organization unless the person or organization so represented has given specific approval in writing to make such representation.

d) No telephone call shall state or imply that the caller represents a nonexistent person or organization.

Any telephone call, not conducted by independent expenditure, supporting or opposing a candidate or ballot proposal, requires prior written authorization by the candidate or sponsor of the ballot proposal that the call supports. A copy of such written authorization must be placed on file with the qualifying officer by the candidate or sponsor of the ballot proposal prior to the time the calls commence.

The term "person" includes any candidate; any officer of any political committee, affiliated party committee, or political party executive committee; any officer, partner, attorney, or other representative of a corporation, partnership, or other business entity; and any agent or other person acting on behalf of any candidate, political committee, committee of continuous existence, affiliated party committee, political party executive committee, or corporation, partnership, or other business entity.

Section 106.1475, Florida Statutes, states that any person or organization that conducts any business in this state which consists of making paid telephone calls supporting or opposing any candidate or elected public official must, prior to conducting such business have and continuously maintain, for at least 180 days following the cessation of such business activities in the state, a registered agent for the purpose of any service of process, notice, or demand required or authorized by law and must file with the division a notice of such registered agent. Such
registered agent must be an individual who is a resident of this state, a domestic corporation, or a foreign corporation authorized to do business in this state. However, this subsection does not apply to any person or organization already lawfully registered to conduct business in this state.

**Note:** Conducting business in this state includes both placing telephone calls from a location in this state and placing telephone calls from a location outside this state to individuals located in this state.

< The notice form (DS-DE 100) may be obtained from the Division of Elections and must contain at least:

1) The name, address, and telephone number of the registered agent.
2) The name, address, and telephone number of the person or organization conducting business in this state.
3) The person or organization conducting business in this state must immediately notify the Division of Elections of any changes in this information.

CAMPAIGN SIGNS

As indicated in 106.1435, Florida Statutes, after a candidate withdraws, is eliminated or elected, the candidate shall make a good faith effort to remove all political campaign advertisements within 30 days. However, in order to comply with the Land Development Code, political signs or posters must be removed within 15 days after the political issue has been decided. Please note the section entitled "Political Signs". This information was provided by the Pasco County Department of Land Development. A candidate is not expected to remove those political campaign advertisements which are in the form of signs used by an outdoor advertising business as provided in Chapter 479. The provisions herein do not apply to political campaign advertisements placed on motor vehicles or to campaign messages designed to be worn by persons.

If the political signs are not removed within the specified time, a political subdivision or government entity has the authority to remove advertisements and may charge the candidate the actual cost for such removal.

No political advertisements shall be erected, posted, painted, tacked, nailed, or otherwise displayed, placed or located on or above any state or county road right-of-way.
NOTE: Some polling locations and early voting sites may not allow campaign signs to be erected, posted, painted, tacked, nailed, or otherwise displayed, placed or located on their property.

Additionally: This does not preclude municipalities from imposing additional or more stringent requirements on the usage or removal of political campaign advertisement. Candidates should contact individual municipalities for information regarding their political campaign advertisements.

**POLITICAL SIGNS**

Candidates should familiarize themselves with Pasco County Board of County Commissioners Resolution 11-300. This resolution details the county’s policy on political signs at county owned facilities for both Early Voting periods and Election Days. A copy of this resolution is given to each person who pulls papers to run for office.

Permits are no longer required by Pasco County for temporary signs, but they remain subject to Sections 406.1 and 406.2 of the Pasco County Development Code regulations. Visit http://www.pascocountyfl.net/index.aspx?NID=1330 for more information on temporary signs in Pasco County.

Adherence to the guidelines by candidates and campaign workers will avoid citations, fines and/or confiscation of illegal signs by Pasco County Code Enforcement. For clarification or additional information, contact the Zoning/Code Compliance Division.

**POLITICAL CAMPAIGN SIGNS IN THE STATE RIGHTS OF WAY**

Chapter 479.11(8), Florida Statutes, mandates that political campaign signs may not be placed in the right of way of any state or national highway.

Chapter 479.16(14), Florida Statutes, states that temporary political campaign signs placed on private property but visible from a state or national highway are statutorily exempted from any sign permit.

All political campaign signs placed on the State right of way will be picked up by the Florida Department of Transportation staff and placed in one of the Department maintenance yards.

All campaign staff/workers should be made aware of the regulations for political sign placement. If workers are given a copy of this notice prior to distributing campaign signs, it will eliminate a trip(s) to the maintenance yard to retrieve the confiscated signs.
VIII. GENERAL INFORMATION

A. BALLOT POSITIONING

< As required in 101.151, Florida Statutes, primary election ballots are by party, group number and district with the candidates listed alphabetically by surname for each race. Each nominee of a political party chosen in a primary shall appear on the general election ballot in the same numbered group and district as on the primary election ballot.

< Section 101.151(3)(a), Florida Statutes, requires that the general election ballot be arranged so that the names of candidates of the party that received the highest number of votes for Governor in the last election in which a Governor was elected shall be placed first under the heading for each office, together with an appropriate abbreviation of the party name.

< The names of the candidates of the party that received the second highest vote for Governor shall be second under the heading for each office, together with an appropriate abbreviation of the party name.

< Minor political party candidates and candidates with no party affiliation shall have their names appear on the general election ballot following the names of recognized political parties, in the same order as they were certified.

STATEMENT OF ETHICAL CAMPAIGN PRACTICES  
(Pasco County Ordinance No. 60-11)

As a candidate for public office in Pasco County, I believe that political issues can be freely debated without appealing to racial, ethnic, religious, sexual, or other prejudices. I recognize that such negative appeals serve only to divide this community and create long-term moral, social, and economic problems. Therefore:

1. I shall not make my race, color, religion, gender, national origin, physical disability, or sexual orientation an issue in my campaign.

2. I shall not make my opponent's race, color, religion, gender, national origin, age, marital status, familial status, physical disability, or sexual orientation an issue in my campaign.

3. I will condemn any appeal to prejudice based on race, color, religion, gender, national origin, age, marital status, familial status, physical disability, or sexual orientation.

4. I shall not attack or question my opponent's patriotism.

5. I shall not publish, display, or circulate any anonymous campaign literature, whether in an advertisement nor shall I tolerate or permit members of my campaign organization to engage in such activities.

6. I shall not tolerate or permit members of my campaign organization to engage in activities designed to destroy or remove campaign materials or signs lawfully displayed on public or private property.

7. I shall not tolerate my supporters engaging in these activities with my condonement nor shall I accept their continued support if they engage in such activities. I will, immediately and publically, terminate the support of any other individual or group which resorts to the methods and tactics that I have condemned.

8. I shall run a positive campaign emphasizing my qualifications for office and my positions on issues of public concern and I will limit my attacks on any opponent to legitimate challenges to that person's record, qualifications, and positions.

9. I will neither use nor permit the use of personal attacks that falsifies, distorts, or misrepresents facts.

10. I will not use or permit the use of any malicious untrue or innuendoes about an opponent's personal life, nor will I make or condone unfounded attacks discrediting an opponent's credibility.
