Pasco County Supervisor of Elections Provides COVID-19 Update

Beginning Wednesday, March 25, 2020, out of an abundance of caution, the Pasco County Supervisor of Elections' Office will allow limited public access. We strongly encourage citizens and candidates to use the Supervisor of Elections' website, PascoVotes.gov, for tasks such as registering to vote, confirming or updating your registration status, requesting a Vote-by-Mail ballot, etc. Our team is also available by phone or email during regular business hours.

Candidates will continue to submit monthly financial reports online at PascoVotes.gov while perspective candidates can download and print necessary forms to complete and file by mail. Political committees submit monthly financial reports through our website as well. Perspective new committees will need to download and print necessary forms to complete and file by mail to create any new committees.

Candidates or citizens wanting to do business in person with the elections' office, should contact our office to make an appointment. Appointments should be made the day prior, but a minimum of 2 hours in advance is required to ensure staff availability. The only current exception to appointments would a request for a "carry-out" vote-by-mail ballot for the upcoming April 14, 2020 Municipal Elections for the City of Dade City, the City of San Antonio, and the City of Zephyrhills.

All currently scheduled canvassing board activities for the Presidential Preference Primary and Municipal Elections will continue as noticed.

The safety of our staff and the public comes above all else. The elections' office will continue to monitor and adapt to the situation and communicate any changes, as soon as possible. The public is encouraged to stay informed and aware by visiting the Florida Department of Health's new COVID-19 Case Dashboard which is updated twice daily.

If you have questions, or need more information, visit PascoVotes.gov or call our office at 800-851-8754.
